

RULE B6 - TROPHIES

Trophies not picked up on race day will be recycled at the end of the season. NO TROPHIES will be mailed. Top 33-1/3% places, up to 5, will receive a championship trophy. You or a representative must be present at the banquet to receive a year end trophy.

RULE B4 - RACE POINTS

Race points are awarded only in the Main Event by finish place and a rider must pass the finish line once to earn any points. If more than one bike DNFs - scoring reverts to last complete lap. If a rider does not start the Main Event, the rider will not receive race points. A rider must present their bike for tech inspection to receive a sign up sheet. No rider can sign up without a bike to ride. (Multiple riders using one bike is OK.) Race points cannot be carried to another class. Race points are earned only in the class you ride in. Ties are broken by the highest number of 1st, 2nd, 3rds, etc....

Rule B12 – MOVE RULES

Top 20% (maximum of top 3) in each class will be moved up in class next season, with the exception of "A" classes, unless referee indicates otherwise. Top three in Novice class will not be allowed to ride in Novice class the next season. The top three riders in a class cannot move down in class for the next season. If a rider moves him/herself up in class in the same season the ride is not allowed to move back down without approval of the referee. Points in not transfer between classes.

RULE B5 - RESULTS

All standings are final 15 minutes after race results are posted on race day. Only recording errors will be corrected. Points posted on the HRMC Web Site will be final 48 hours after posted. Only recording errors will be corrected.
